## **Costumes**

Costumes are made by myself and a fabulous team of helpers including Mums, Nana's and friends. So many hours and a great deal of funds goes into our costumes, it can take several years of use to fully pay off a set. Costumes are hired for the year at a cost of \$25 per costume. This will be invoiced during term 1 and term 3 in preparation for our concerts.

## **Concerts**

Our mid year concert is our dress rehearsal for our competitive dancers and a great opportunity for some of our performers who will be performing for the first time on stage in front of an audience! Our End of Year Concert is a celebration of all our hard work during the year and will have a fun theme.

There is a \$75 per family Concert fee which includes a copy of our performance via download or on USB.

## **Class attire**

It is important that students are dressed appropriately for class to allow for corrections in technique and for safety. Active wear, leotards and tights are available at places like Kmart, Target and Best and Less. In the colder weather a crossover or tight fitting t shirt can be added however we do have very good heating in the studio. Hair should be neatly secured in a bun or ponytail.

Jazz and tap students require appropriate shoes, we use Black Jazz shoes and would prefer black tap shoes however if you currently have tan these will be fine.
